PARTY DISCLOSURE FORM

Definition of Terms

A proceeding involving "a license, permit, or other entitlement for use" includes all business, professional, trade and land use licenses and permits, and all other entitlements for use, including all entitlements of land use; all contracts (other than competitively bid, labor or personal employment contracts) and all franchises.

1. Your "agent" is someone who represents you in connection with a proceeding involving a license, permit, or other entitlement for use. If an individual acting as an agent is also acting in his or her capacity as an employee or member of a law, architectural, engineering, consulting firm, or similar business entity, both the business entity and the individual are "agents".
2. To determine whether a campaign contribution of greater than \$250 has been made by you, campaign contributions made by you within the preceding twelve (12) months must be aggregated with those made by your agent within the preceding twelve (12) months or the period of the agency, whichever is shorter. Campaign contributions made to different commissioners, their alternates, or candidates are not aggregated.
