Agenda Item No. 7.a.

Protest Hearing on Annexation No. 2011-22 to the City of Santa Clarita (North Copperhill)

On October 24, 2012 your Commission approved a request initiated by the City of Santa Clarita to annex 2,473± acres of inhabited territory to the City of Santa Clarita. The Protest Hearing before you today will satisfy the requirements of Government Code section 57000, *et seq.*

The annexation proposal is summarized as follows:

Proposal Area: The annexation consists of established neighborhoods and undeveloped land. There are 3,181 homes, a shopping center, three County parks, three elementary schools, two County probation camps, and publicly-owned open space.

Location: The affected territory is generally located east of San Francisquito Canyon Road, south of the Angeles National Forest boundary, north of the City of Santa Clarita boundary limit, and west of Bouquet Canyon Road.

Population: The affected territory has approximately 9,543 residents. Three tract maps have been tentatively approved by the County, which would add another 132 homes to the area.

Landowners/Registered Voters: As of November 29, 2011, the County Registrar Recorder - County Clerk certified that there were 6,028 registered voters residing within the affected territory. There are 3,285 landowners.

Topography, Natural Boundaries and Drainage Basins: The topography of the affected territory is a mixture of hills and canyons. The drainages include Seco Canyon, Haskell Canyon, and Plum Canyon.

Zoning, Present and Future Land Use: The affected territory consists of developed and vacant land. The current land use designations are: HM, N2, O-P, P, U1, U2, U3, and W. The current zoning designations are: A-A-1, A-A-1 DP, A-2-1, A-2-2, C-2 DP, R-1-500, R-1-7000, R-1-10000 DP, RPD-1-3.0U, RPD-50003.5U, RPD-5000-4U, RPD-5000-4.5U, RPD-6000-4U, RPD-6000-5.9U, and RPD-10000-1.9U. The current land use will continue without change.

Surrounding Land Use: Land use north of the subject territory is national forest, east is rural agricultural, south is developed residential, and west is rural residential.

Assessed Value: The total assessed value of land for Assessor roll year 2011 is \$449,633,438. The per capita valuation is estimated at \$47,117.

Governmental Services and Control, Availability and Adequacy: Government Code Section 56668(b) states that the Commission is to consider, “the need for organized community services; the present cost and adequacy of governmental services and controls in the area; probable future needs for those services and controls; probable effect of the...annexation... and of alternative courses of action on the cost and adequacy of services and controls in the area and adjacent areas.”

Municipal Service	Current Service Provider	Proposed Service Provider
Animal Control	County	Same
Fire and Emergency Medical	Consolidated Fire Protection Dist.	Same
Flood Control	County	Same
Library	County Library	City of Santa Clarita
Park and Recreation	County	City of Santa Clarita
Planning	County	City of Santa Clarita
Police	County Sheriff	Same- under contract with County Sheriff
Road Maintenance	County	City of Santa Clarita
Solid Waste	County-Private hauler	City of Santa Clarita-Private hauler
Street Lighting	County	City of Santa Clarita
Water	Newhall County Water District, Santa Clarita Water Division, and Valencia Water Company	Same
Wastewater	Santa Clarita Valley Sanitation District	Same

The County will continue to provide animal control and flood control to the annexation area. Upon approval of the annexation request, the City of Santa Clarita will provide library services, park and recreation, planning, road maintenance, and street lighting services. The City will continue to provide adequate services and maintain current service levels. Enhanced service levels will be financed through city general fund revenues or developer fees.

There are no changes in fire and emergency medical, police, water, and wastewater service providers and in levels of service. Solid waste service is currently provided by the County through contract with a private hauler; upon approval of the annexation, the City of Santa Clarita will provide service through contract with a private hauler. No change in service level is anticipated.

The County manages several special assessment districts within the proposed annexation area, including County Road Maintenance District No. 5, County Public Library, County Lighting and Maintenance District 1687, and County Lighting District LLA-1, Unincorporated Zone. As part of this annexation request, the affected territory will be detached from special assessment districts and the City of Santa Clarita will assume responsibility for funding and providing the services. The following special district assessments would be applied upon annexation: Open Space Preservation District - \$29 per single-family residence per year, Stormwater Facility Maintenance District- \$23 per single-family residence per year, Landscape Maintenance District \$60 per single-family residence per year, and Street Light Maintenance District - \$73 per single-family residence per year.

There are no alternative courses of action, other than having the territory remain unincorporated with the County continuing to provide municipal services.

Effects on agricultural or open-space lands: There will be no adverse effect to agricultural or open-space lands as a result of approval of this annexation request. The affected territory involves residential and vacant land that is not used for agricultural purposes, and does not change any open-space designations.

Boundaries and Lines of Assessment: The boundaries of this territory have been clearly defined and correspond to lines of assessment or ownership. This proposal does not create any new islands of unincorporated territory.

Sphere of Influence: The affected territory is within the sphere of influence of the City of Santa Clarita.

Tax Resolution: All affected agencies have adopted a negotiated tax exchange resolution.

CEQA: The Negative Declaration adopted by the City of Santa Clarita on August 23, 2011 is adequate for consideration of this proposal.

Correspondence: LAFCO received a letter from an attorney representing Daniel Singh, a landowner and developer of a tract map within the affected territory. A copy of this letter was provided to the Commission at your October 10, 2012 meeting.

Recommended Action:

1. Open the protest hearing and receive written protests.
2. Close the protest hearing.
3. Instruct the Executive Officer, pursuant to Government Code Section 57075, to determine the value of protests filed and not withdrawn and report back to the Commission with the results.
4. Based upon the results of the protest hearing either terminate the annexation proceedings pursuant to Government Code section 57078 if a majority protest exists, or adopt a resolution ordering Annexation No. 2011-22 to the City of Santa Clarita directly, or ordering the annexation subject to confirmation by the registered voters of the affected territory.

**RESOLUTION OF THE LOCAL AGENCY FORMATION
COMMISSION FOR LOS ANGELES COUNTY ORDERING
