Twenty-six (26) members of the public testified (attended in a virtual format) and agreed with the staff recommendation to take an OPPOSE position on AB 2986. The general consensus of the members of the public who testified was:

- Residents of East Los Angeles do not want to incorporate as a new city.
- Each year, costs increase for police, fire, repair to roads, graffiti removal, and solid waste collection. As a new city, the residents of East Los Angeles would be responsible to pay for those increases.
- Many East Los Angeles residents are still recovering financially from the COVID Pandemic; and increase costs for food, gas, and rent due to inflation.
- Becoming a city would mean that residents would pay higher property taxes.
- Incorporation would make it more difficult to construct affordable housing.

There being no additional testimony, the public hearing was closed.

RESOLUTION OF THE LOCAL AGENCY FORMATION
COMMISSION FOR THE COUNTY OF LOS ANGELES
MAKING DETERMINATIONS APPROVING AND ORDERING
"ANNEXATION NO. 440 TO THE COUNTY SANITATION DISTRICT NO. 14
OF LOS ANGELES COUNTY"**

WHEREAS, the County Sanitation District No. 14 of Los Angeles County (District) adopted a resolution of application to initiate proceedings, which was submitted to the Local Agency Formation Commission for the County of Los Angeles (Commission), pursuant to, Division 3, Title 5, of the California Government Code (commencing with § 56000, the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000), for annexation of territory herein described to the District, all within the County of Los Angeles (County); and

WHEREAS, the proposed annexation consists of approximately 1.26± acres of uninhabited territory and is assigned the following distinctive short-form designation: "Annexation No. 440 to the County Sanitation District No. 14 of Los Angeles County "; and

WHEREAS, a description of the boundaries and map of the proposal are set forth in Exhibits "A" and "B", attached hereto and by this reference incorporated herein; and

WHEREAS, the principal reason for the proposed annexation is for the District to provide off-site sewage disposal service for one (1) proposed single-family home; and

WHEREAS, the Executive Officer has reviewed the proposal and submitted to the Commission a written report, including his recommendations therein; and

WHEREAS, the Commission has determined that the proposed annexation ("Proposal") meets all of the criteria for the Commission to make a determination without notice and hearing and waive protest proceedings entirely, pursuant to Government Code § 56662; and

WHEREAS, the Executive Officer set the item for consideration for April 10, 2024 at 9:00 a.m., at the Los Angeles County Board of Supervisors Hearing Room, Kenneth Hahn Hall of Administration Room 381-B, located at 500 West Temple Street, Los Angeles, California, 90012; and

WHEREAS, on April 10, 2024, this Commission considered the Proposal and the report of the Executive Officer.

NOW, THEREFORE, BE IT RESOLVED as follows:

1. The Commission is a responsible agency pursuant to CEQA and State CEQA Guidelines § 15096 with respect to the proposed annexation, and in its independent judgment on the record determines that the proposal is categorically exempt from CEQA pursuant to State CEQA Guidelines § 15319(b) because the annexation consists of an individual small parcel of the minimum size for facilities exempted by Section 15303, New Construction or Conversion of Small Structures.
2. Pursuant to Government Code § 56662(a), the Commission hereby finds and determines that:
 - a. The territory encompassed by the annexation is uninhabited; and
 - b. Pursuant to Government Code §§ 56658(b)(1) and 56662(c), the Executive Officer has given the required mailed notice to each affected local agency of the application to initiate proceedings for the proposed annexation, and no affected local agency has submitted a written demand for notice and hearing during the 10-day period following the notice; and

- c. The annexation was accompanied by satisfactory proof that all owners of land within the affected territory have given their written consent to the proposal.
Based thereon, pursuant to Government Code § 56662 (a), the Commission may, and hereby does, make determinations on the proposal without notice and hearing, and the Commission may, and hereby does, waive protest proceedings entirely.
3. A description of the boundaries and map of the proposal, as approved by this Commission, are set forth in Exhibits "A" and "B", attached hereto and by this reference incorporated herein.
4. The affected territory consists of 1.26± acres, is uninhabited, and is assigned the following short form designation:

"Annexation No. 440 to the County Sanitation District No. 14 of Los Angeles County".
5. Annexation No. 440 to the County Sanitation District No. 14 of Los Angeles County is hereby approved, subject to the following terms and conditions:
 - a. The District agrees to defend, hold harmless and indemnify LAFCO and/or its agents, officers and employees from any claim, action or proceeding against LAFCO and/or its agents, officers and employees to attack, set aside, void or annul the approval of LAFCO concerning this proposal or any action relating to or arising out of such approval.
 - b. The effective date of the annexation shall be the date of recordation of the Certificate of Completion with the Los Angeles County Registrar-Recorder/County Clerk.

- c. Recordation of the Certificate of Completion shall not occur prior to the conclusion of the 30-day reconsideration period set forth under Government Code § 56895.
- d. All fees due to LAFCO, the County of Los Angeles (including, but not limited to, fees owed to the County Assessor and/or the Registrar-Recorder/County Clerk), and the State of California Board of Equalization; shall be paid by the Applicant, in full, prior to LAFCO's filing the Certificate of Completion. Failure to pay any and all fees due to LAFCO, the County of Los Angeles, and the State Board of Equalization, within one year of the Commission approval of this change of organization/reorganization, will result in the change of organization/reorganization being terminated pursuant to Government Code §57001 unless, prior to expiration of that year, the Commission authorizes an extension of time for that completion.
- e. The territory so annexed shall be subject to the payment of such service charges, assessments or taxes as may be legally imposed by the District.
- f. The regular County assessment roll shall be utilized by the District.
- g. The affected territory will be taxed for any existing general indebtedness, if any, of the District.
- h. Annexation of the affected territory described in Exhibits "A" and "B" to the District.
- i. The map and geographic description of the affected territory shall comply with all requirements of LAFCO, the Los Angeles County Registrar-Recorder/County

Clerk, and the State of California Board of Equalization. If LAFCO, the Los Angeles County Registrar-Recorder/County Clerk, and/or the State of California Board of Equalization require changes, the map and geographic description shall be revised and all associated costs shall be the responsibility of the applicant.

- j. Except to the extent in conflict with "a" through "i", above, the general terms and conditions contained in Chapter 2 of Part 5, Division 3, Title 5 of the California Government Code (commencing with Government Code § 57325) shall apply to this annexation.
6. The Commission hereby orders the uninhabited territory described in Exhibits "A" and "B" annexed to the County Sanitation District No. 14 of Los Angeles County.
7. The Executive Officer is hereby authorized and directed to mail copies of this resolution as provided in Government Code § 56882.

NOW, THEREFORE, BE IT RESOLVED as follows:

1. Acting in its role as a responsible agency with respect to Annexation No. 438 to the County Sanitation District No. 14 of the Los Angeles County (District), pursuant to CEQA and State CEQA Guidelines § 15096, the Commission considered the City of Palmdale Hearing Officer Determination (HO-2021-009) for CEQA, the Addendum to EIR No. 90-3 prepared by the City of Palmdale, as lead agency, on January 27, 2022, the Resolution certifying EIR No. 90-3, and EIR No. 90-3 prepared by the City of Palmdale as lead agency for the project; determines that the Commission has independently reviewed and considered and reached its own conclusions regarding the environmental effects of the proposed annexation to the District as shown in the Hearing Officer Determination, the Addendum to the Final Environmental Impact Report No. 90-3, and the Resolution certifying EIR No. 90-3; and adopts the Addendum mitigation monitoring program, as applicable. A Statement of Overriding Consideration (statement) was adopted by the City of Palmdale for direct and cumulative impacts that could not be reduced by a level of insignificance by the incorporation of mitigation measures into the project. The significant impacts identified included direct impacts to land use (loss of open space), local and regional air quality, biological (loss of habitat), and emergency services (increased fire and sheriff service demand). All other impacts were found to be mitigatable to a level of insignificance by the mitigation measures imposed on the project. The Commission further determines that the significant adverse effects of the project as applicable to the annexation have either been reduced to an acceptable level or are outweighed by the

specific considerations of the project, as outlined in the statement, which findings and statement are adopted and incorporated herein by reference as applicable.

 - b. The effective date of the annexation shall be the date of recordation of the Certificate of Completion with the Los Angeles County Registrar-Recorder/County Clerk.
