

## Party Disclosure Form

PURSUANT TO GOVERNMENT CODE SECTION 84308, this form must be completed by applicants or, persons who are the subject of any applicant proceeding pending before the Local Agency Formation Commission (LAFCO).

### Importance Notice

1. If you are an applicant for, or the subject of any application or proceeding pending before the Local Agency Formation Commission, you are prohibited from making a campaign contribution of greater than \$250 to any commissioner, his or her alternate, or any candidate for such position. This prohibition ends three (3) months after a final decision is rendered by the Local Agency Formation Commission. In addition, no commissioner, alternate, or candidate may solicit or accept a campaign contribution of more than \$250 from you during this period. These prohibitions also apply to your agents and/or lobbyists. If you are a closely held corporation, this prohibition applies to your majority shareholder as well.
2. You must file the attached disclosure form and disclose whether you or your agent(s) have in the aggregate contributed more than \$250 to any commissioner, his or her alternate, or any candidate for the position during the twelve (12) month period preceding the filing of the application or the initiation of the proceeding.
3. If you or your agent have made a contribution to any commissioner, alternate, or candidate during the twelve (12) months preceding the decision on the application or proceeding, that commissioner must disqualify himself or herself from the decision. However, disqualification is not required if the commissioner, alternate, or candidate returns the campaign contribution within thirty (30) days of learning about both the contribution and the proceedings.

### Definition of Terms

A proceeding involving "a license, permit, or other entitlement for use" includes all business, professional, trade and land use licenses and permits, and all other entitlements for use, including all entitlements of land use; all contracts (other than competitively bid, labor or personal employment contracts) and all franchises.

1. Your "agent" is someone who represents you in connection with a proceeding involving a license, permit, or other entitlement for use. If an individual acting as an agent is also acting in his or her capacity as an employee or member of a law, architectural, engineering, consulting firm, or similar business entity, both the business entity and the individual are "agents".
2. To determine whether a campaign contribution of greater than \$250 has been made by you, campaign contributions made by you within the preceding twelve (12) months must be aggregated with those made by your agent within the preceding twelve (12) months or the period of the agency, whichever is shorter. Campaign contributions made to different commissioners, their alternates, or candidates are not aggregated.
